Communications, Inc., d/b/a Dimensions )

**Case No. XD-2005-0317**

### **ORDER CANCELING CERTIFICATE AND TARIFF**

This order cancels the certificate of service authority to provide interexchange telecommunications services granted to Global Crest Communications, Inc., d/b/a Dimensions, along with its accompanying tariff.

On March 22, 2005, the Staff of the Commission filed a motion to open a case and cancel Global Crest's certificate of service authority and accompanying tariff. The motion explained that the Commission granted Global Crest a certificate of service authority to provide interexchange telecommunications services in June 2001, in Case No. TA-2001-568. A tariff submitted by Global Crest was approved at the same time.

Staff's motion states that Global Crest's certificate of authority to do business in Missouri was revoked by the Missouri Secretary of State on January 14, 2002. Staff reports that it has been unable to contact Global Crest by telephone because both of the numbers provided by the company are not in service. Staff has attempted to contact Global Crest through Telecom Compliance Services in Alpharetta, Georgia, a company that Global Crest listed as a contact address in its 2002 annual report to the Commission. Telecom Compliance Services told Staff that it no longer represents Global Crest and has

no way to contact that company. Global Crest failed to file its 2003 annual report to the Commission and it owes a minimal assessment to the Commission for Fiscal Year 2005.

Staff served copies of its motion on Telecom Compliance Services at its address in Georgia, and upon the last known address for Global Crest in North Miami, Florida. Staff also served its motion on the Missouri Secretary of State, as Global Crest does not have a registered agent in Missouri. On March 23, in a further effort to provide notice to Global Crest, the Commission issued a Notice of Motion to Cancel Certificate and Tariff, and Order Directing Response. That notice was mailed by certified mail to Global Crest's last known addresses in North Miami, Florida, as well as to Telecom Compliance Services in Alpharetta, Georgia. The notice mailed to Georgia was delivered on March 28, but the notice mailed to Florida was returned by the post office as "addressee unknown." The Commission's March 23 order required Global Crest to respond to Staff's motion no later than April 22. Global Crest has not responded.

The Commission has the authority to cancel a telecommunications corporation's certificate under Section 392.410.5, which states, "Any certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected." Since no one has requested a hearing in this case, the Commission may grant the relief requested based on the application.

Based on Staff's uncontested application, the Commission finds that Global Crest has violated the terms of its certificate by failing to keep the Commission informed of its current address and phone number, and by failing to file annual reports. In addition, the Commission finds that it is in the public interest to cancel the company's tariff. Therefore,

the certificate of service authority granted to Global Crest in Case No. TA-2001-568, along with its accompanying tariff, will be canceled.

**IT IS THEREFORE ORDERED:**

1. That the certificate of service authority granted in Case No. TA-2001-568 to Global Crest Communications, Inc., d/b/a Dimensions, as well as its accompanying tariff, are canceled.
2. That this order shall become effective on May 6, 2005.
3. That this case may be closed on May 7, 2005.
